DOMINO NEXT — NICOLA GALLIZIA 2016

1—
3

Nicola Gallizia sviluppa un programma di elementi versatili per costruzione e utilizzo, basato sulla ricerca di forme stilizzate e materiali dalla spiccata personalità, in un continuo gioco a rincorrersi e sovrapporsi. Complementi, come tavolini ovali, panche e pouf, utilizzabili per qualsiasi espressione progettuale, sono realizzati utilizzando e alternando acciaio, legno, pietra, tessuti e pelle. Colore, materia e forma sono l'ispirazione e la sintesi della collezione.
