OUR HISTORY

DIE MÖBELMARKE DER MODERNE

Kontinuierlich setzt Walter Knoll Zeichen in der Möbelgeschichte, schuf Klassiker und Ikonen der Avantgarde. Seit mehr als hundert Jahren sind die Grundelemente unserer Ästhetik unverändert geblieben: Leder, Stoff und Holz in höchster Qualität, meisterhaft verarbeitet. Unser Exzellenzanspruch ist sichtbar und spürbar – vom ersten Tag unseres Schaffens im Jahr 1865 bis heute in herausragenden Architekturen auf der ganzen Welt.

THE FURNITURE BRAND OF MODERNITY

Walter Knoll has repeatedly made its mark on furniture history, creating classic pieces and icons of the avant-garde. The fundamental elements of our aesthetic philosophy have remained unchanged for more than a hundred years: leather, fabric and wood in the very best quality, with masterly hand-crafted finishing. Our commitment to excellence has been both visible and tangible from the first day of our work in 1865 – and is now featured in outstanding architectural masterpieces throughout the world.

OUR PURPOSE

WIR BRINGEN QUALITÄT IN DEN RAUM UND STÄRKEN DAMIT DAS PERSÖNLICHE WOHLBEFINDEN

Wie ein Raum auf uns wirkt, prägt unser Befinden. In Räumen, die mit Möbeln von Walter Knoll eingerichtet sind, fühlen sich Menschen sofort wohl. Unsere Möbelstücke berühren die Sinne, sie lösen ein Gefühl aus. Durch sie erfahren wir Wertschätzung und geben sie weiter. Mit jedem unserer Möbelstücke sorgen wir dafür, dass die Sinnlichkeit ihren festen Platz findet und spürbar wird.

WE BRING QUALITY INTO EVERY ROOM AND ENHANCE PERSONAL WELL-BEING

The impression a room or space makes on us determines how we feel. People immediately feel at home in rooms and spaces furnished with products by Walter Knoll. Our pieces of furniture appeal to the senses, triggering emotions. Through them we experience appreciation and pass it on. With each of our pieces of furniture, we ensure that sensuousness finds a permanent place and becomes tangible.

SUSTAINABILITY

MINIMALES, ZEITLOSES DESIGN IST NACHHALTIGES DESIGN

Unsere Möbel strahlen Klarheit und Kraft aus, sie schaffen eine Aura des Besonderen. Und sie halten ein Leben lang. Denn alles, was wir unternehmen, muss sich auch morgen als wertvoll erweisen. Nachhaltigkeit ist zentraler Maßstab für alle Unternehmensbereiche. Als Familienunternehmen agieren wir sozial, gerecht und umweltbewusst. Wir arbeiten klimaneutral und erfüllen Scope 3, den höchst möglichen Standard des Klimapakt-Labels der Deutschen Gütegemeinschaft Möbel e.V. Für unser Umweltmanagement haben wir 2019 das international anerkannte ISO 14001 Zertifikat erhalten, 2021 haben wir uns FSC zertifizieren lassen.

MINIMAL, TIMELESS DESIGN IS SUSTAINABLE DESIGN

Our pieces of furniture exude clarity and strength, creating an aura of something truly exceptional. And they last a lifetime. Because everything we do must also prove valuable tomorrow. Sustainability is the underlying principle for all areas of the company. As a family enterprise, we act in a social, fair and environmentally conscious way. We operate in a climate-neutral manner and meet Scope 3, the highest possible standard of the Climate Pact label of the DGM (German Furniture Quality Assurance Association). In 2019, we were awarded the internationally recognized ISO 14001 certificate for our environmental management and have had ourselves FSC certified in 2021.
